*Hi, Chelsea here, I am so excited that you are planning to be part of my The 6 Monther. Before you sign up there are a few things you need to know about what you are purchasing, what you can expect and the support you will get from me. Please read the terms below and if you have any questions once you've finished please do not hesitate to get in touch and I would be happy to chat further.*

*Chelsea x*

The terms and conditions set out below apply to your space on the 6 monther group programme offered by Chelsea Cox LTD. Please read them carefully as they affect your rights and liabilities under law and set out the terms under which Chelsea Cox (“I”, “me” or “my”) provide services to you, as purchaser of the 6 monther. These terms are subject to any rights you have under consumer law to which I am bound to and which cannot be waived.

### **Course Outline**

The 6 monther is a group programme which uses practical tools & techniques to support you in accountability, support and development for your business

### **Course Specifics**

Following successful purchase of your space you will receive access to:

- x1 60 minute 1:1 call with Chelsea per month
- 60 minute group accountability & support call every Monday at 9am
- Group business brainstorming session once a month
- x1 60 minute group masterclass a month led by Chelsea
- Monthly review workbook
- Quarterly review workbook
- Unlimited email access to Chelsea
- Dedicated optional WhatsApp & Facebook group

You will then have the opportunity to work through the course material in your own time. The course provides tools to help you gain clarity, strategise, plan and discover success on your own terms.

The course has been tried and tested by individuals who are over the age of 18 and from various different backgrounds. In working through the material, they have been able to find clarity in their business concept, create strategies and 90 day business plans, have confidence in their selling conviction and see new opportunities for growth.

Whilst all those who have taken the course to date have achieved the desired results, it is not possible to provide any guarantees that you will experience any specific results. Failure to complete the self-study materials will limit your ability to benefit from the information provided and will significantly limit any results. The course is not bespoke and includes general advice should you feel that you need additional support, such as bespoke strategy, bespoke business planning or bespoke growth support, that can be provided separately.

The 6 monther provides strategies and methods to help you stay accountable and develop your business. It is your individual responsibility to apply what is shared and taught in the course to your personal and business circumstances both during the course and afterwards. Each individual is unique and their starting position and commitment to the course is unique to them. The aim is that following completion of the course you will have new information, strategies and techniques and have clarity in your business.

Please be aware that the course is delivered entirely in English and no translations are provided for videos or text.

The cost of the programme is £175 per month for 6 months. This is a recurring payment and all purchases are final. (Please see below for details about refunds).
